## SUMMARY

Versatile IT professional skilled in DevOps, AWS Cloud, and Web Development. Eager to contribute technical skills in dynamic IT environments.

## Education

### B.E. in Computer Engineering

Mumbai University (CGPA: 6.0)

2021 – 2024

Maharashtra, Mumbai

### Diploma in Mechanical Engineering

Fabtech Technical Campus, Sangola (81.69%)

2019 – 2021

Maharashtra, Solapur

### SSC (10th)

Vidyaniketan High School, Guadwadi (70%)

2018

Maharashtra, Solapur

## EXPERIENCE

### BrainVision Pvt. Ltd.

Cloud Intern

Remote

Jun 2023 - Aug 2023

- Assisted in setting up AWS EKS clusters
- Assisted in deploying and managing cloud infrastructure using AWS, including services like EC2, S3, Lambda, VPC, IAM

## PROJECTS

### Foodies MERN-Based Food Delivery Web App — MERN Stack, AWS

May 2024

- Built a full-stack web application for food delivery with real-time order tracking and payment processing
- Deployed the backend on AWS, ensuring secure and efficient cloud-based database management with MongoDB

### Spring Boot CI/CD Pipeline with Argo CD & Docker — Jenkins, Kubernetes, AWS

Oct 2024

- Automated deployment pipeline for a Spring Boot app using Jenkins, Maven, and Docker
- Deployed on Kubernetes via ArgoCD (GitOps). Technologies: Spring Boot, Jenkins, Docker, Kubernetes, Argo CD, Maven, Github, EC2

### AWS Cost Optimization Project — AWS Lambda, Boto3

Nov 2024

- Automated the deletion of state EBS snapshots using AWS Lambda and Boto3, reducing storage costs
- Implemented a cost-efficient cloud management solution by identifying unused resources

## CERTIFICATIONS

### AWS Cloud Practitioner Essentials

AWS Skill Builder

Oct 2024

### Cloud Computing Training at Pregrade

Pregrade

Sep 2024

## TECHNICAL SKILLS

**Development:** JavaScript, Python, C++, SQL • React, Node.js, Express.js • MySQL, PostgreSQL, DynamoDB

**DevOps/Cloud:** AWS (EC2, S3, Lambda, VPC, EKS) • Docker, Kubernetes, Helm • Terraform • Jenkins, Argo CD

**Tools:** Git, VS Code, Postman • Prometheus, Grafana, CloudWatch • Chrome DevTools
